BUILDING CONFIDENCE

The New Song Leadership Academy is a nonprofit Christian school that helps disadvantaged students succeed academically and in life! Our students live in spacious, family-like homes on 100 beautiful acres in south central Indiana.

Your Child is a Leader

Your son or daughter has God-given leadership abilities. Your child was created in the image of God, and with positive mentoring and patient instruction, he or she can become a strong, responsible person that powerfully and positively influences others for good. *New Song* has a proven track record of helping children succeed. We can equip your child with God-honoring leadership skills including courage, determination, and perseverance that will help them flourish.

We Can Tap Your Child's Potential

By God's grace, *New Song* can help your child reach his or her potential and become the special person they are meant to be. We can help them grow and excel and mature into a wonderful, godly young man or woman. We encourage you to enroll your child on our campus so that we can help them grow into the amazing person God intends them to be!

How We Help

How do we help kids grow into godly young men and women? Through encouraging programs and activities that result in character development, academic achievement, and life skills enrichment. We care for and minister to the whole child at *New Song*, and all our programs are built upon a foundation of Christian discipleship and mentoring.

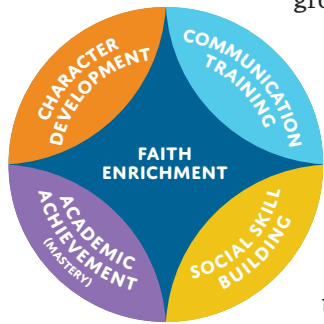

“Grow in the grace and knowledge of our Lord and Savior Jesus Christ.”

2 PETER 3:18

EQUIPPING CHILDREN FOR LIFE, THROUGH THE LOVE OF CHRIST JESUS!

Personal, Holistic Care and Education

Each student is very important to us at *New Song*. We are a small school, and we get to know our students very well. The relationships we have with students matter to us a great deal. Developing positive, caring relationships with the boys and girls who come to live on campus is very important to us. Through this personal care, we impact children holistically, meeting all of their needs for growth and development.

Your Child Matters

Jesus has given our staff team at *New Song* a special love for children who are disadvantaged and need help. God has called the people of *New Song* to sacrificially serve boys and girls so that they can be all He has created them to be. We are called to a very high standard as we serve the Lord here at *New Song*, and your child deeply matters to us. Your son or daughter will receive the utmost respect and care on our campus. You will be provided with regular updates on your child's progress.

*"My kids are making A's and B's!
They get one-on-one time
with the teacher at New Song.
Not having so many
other kids in the classroom
has made a big difference."*

Nikki, Mother of three
Academy students

"Train up a child in the way
he should go, and even when he is old,
he will not depart from it."

PROVERBS 22:6

DEVELOPING CHARACTER

“My children did really well at New Song. I’m so glad I enrolled them.”

Candice, mother of three Academy students

ENCOURAGING FAITH

“Jesus said to them,
‘Let the children come unto me and do not hinder them, for the Kingdom of heaven belongs to such as these.’”

MATTHEW 19:14

A Better Future

New Song exists to provide children with a better future. We offer many exciting opportunities for growth to boys and girls, all of which have been created to enhance the development of students so that their futures can be transformed. From on-campus enrichment classes like Spanish, Art, and Music to off-campus outings to state parks and museums, *New Song* will help your child thrive and change the course of their future.

You and Your Child

If you enroll your child at *New Song*, we believe your relationship with your son or daughter can grow stronger than ever. We teach children to honor their parents, appreciate them, and show them respect. We encourage our students to be a blessing to their parents.

Our students go home almost every weekend, as well as over Fall, Christmas, and Spring breaks. In addition, students are back home for most of the summer. During the school week, parents talk with their children through video chats and phone calls, and our houseparents frequently text photos of student activities to parents. We love both you and your child, and we want to help foster and grow your relationship together.

A True Parent-School Partnership

New Song will come alongside you to benefit you personally as well as your child. We will help you develop emotional strength, pray with you, and offer solid parenting advice. Our love extends to both you and your child. We want your joy and peace to increase, and we’d love to help you experience the love and grace of Jesus more deeply.

We provide a true parent-school partnership that will bless and support you.

Schools International*.

Experience Matters!

God has blessed *New Song* with an incredibly experienced team of staff members who can help students develop confidence and character. Our academic program is overseen by licensed teachers and administrators, and our classroom is highly effective because we have learned the importance of providing boys and girls with a very personal and individualized education. We know what works with students and how to help them reach their great potential in school and in life.

Enrollment Process

New Song educates and cares for children from disadvantaged backgrounds and whose parents want more for their children than they can currently provide. Please visit www.NewSongMission.org/enroll to see our eligibility criteria, scholarship opportunities, and the steps to enrollment.

We hope to see your child on campus soon!
